Quality Policy

Varex Imaging Corporation is dedicated to providing high quality, innovative products and services that improve the world we live in, making the invisible visible and saving lives.

We are committed to:

- Meeting our customers' requirements and expectations.
- Complying with all laws and regulations that govern our activities.
- Monitoring, maintaining, and improving the effectiveness of our quality management system.
- Creating value for our shareholders and interested parties.

Sunny Sanyal
Chief Executive Officer
