

# Varex Imaging Corporation Environmental, Health and Safety Policy

Varex Imaging Corporation is dedicated to conducting its business operations worldwide in a manner that supports employee occupational safety and wellness and safeguards neighboring communities and the global environment.

## **VAREX IMAGING CORPORATION'S GOALS**

Take all appropriate actions to ensure the health and safety of employees and minimize the company's environmental impact by incorporating pollution prevention and resource conservation principles in the design, manufacture, marketing, distribution, packaging, use, service and disposal of our products.

## **TO ACHIEVE THESE GOALS WE WILL:**

Educate, train and motivate all employees to conduct their activities in a safe and environmentally responsible manner while simultaneously fostering safety and environmental responsibility among our suppliers and contractors.

Continuously improve our environmental protection and employee health and safety programs by setting challenging goals, establishing meaningful metrics and communicating our results to employees, shareholders, and stakeholders in the community.

Assess the environmental, health and safety implications of new processes and products and business acquisitions prior to implementation.

Audit operations and practices for compliance with applicable laws, regulations, and this Policy and implement appropriate corrective actions where necessary.
